Public Notice
Public Involvement Meeting #3 for Improvements to US 61/Madison Street
Cherry Street to City Limits Street
May 17, 2016

The Wisconsin Department of Transportation (WisDOT) is in the process of designing improvements to US 61/Madison Street in Lancaster between Cherry Street and City Limits Street.

The third public involvement meeting will be held **Tuesday, May 17, 2016 from 5 p.m. to 7 p.m. at the Lancaster City Hall, 206 S. Madison Street**. The meeting will be conducted as an open house with a brief presentation at 5:30 pm.

All persons interested in the project are encouraged to attend. The meeting will allow residents to view project impacts and discuss the proposed improvements with WisDOT representatives.

Proposed Improvements

The design process has examined a range of options involving replacement of the pavement, sidewalk and curb and gutter within the project limits. Storm sewer, sanitary sewer and water main replacement would be made as needed as part of the project. Most of the work is expected to be done within the existing right-of-way; however, some right-of-way acquisitions and temporary easements will be required. The recommended alternatives along with right-of-way impacts and traffic control will be presented and discussed at this meeting.

Construction is expected to occur in 2019.

Your Involvement

We want your thoughts on the project. Public input will be critical in shaping the final design. Persons with an interest or knowledge about historical buildings and archeological sites are encouraged to attend or provide comments.

Contact

If you are unable to attend the May 17 meeting, or would like to discuss the project in more detail, feel free to contact WisDOT Project Manager Craig Fisher at (608) 785-9946 or craig.fisher@dot.wi.gov. The mailing address is 3550 Mormon Coulee Road, La Crosse, WI 54601.

The meeting hall is wheelchair accessible. Persons requiring the assistance of a sign language interpreter may contact us through the Wisconsin Telecommunications Relay System (1-800-WI-Relay) no later than three working days prior to the meeting.

Thank you for your interest and we hope to see you May 17!
