## Stormwater

### Charged Monthly with Utility Billing

Rate	\$2.20/ERU/Month
Class	
Residential-Single Family Unit	1.0 ERU
Residential-Duplex	.5 ERU x each dwelling unit
Residential – multifamily: (including apartments greater than or equal to 3 Units, Condominiums, and Mobile Homes)	The charge per unit shall be calculated by dividing the number of ERU's calculated for the entire property by the number of units existing on the property
Not Residential	One ERU times a factor obtained by dividing the total impervious area of the property by the square footage equivalent for one ERU. Such impervious area shall be determined based upon the best information reasonably available. The result shall be rounded down to the nearest one-tenth (0.1).
Undeveloped	No stormwater charge shall be assigned to undeveloped land.
