Alternate Side Parking

The City's alternate side parking takes effect November 15th and runs through March 15th. On even numbered days, park on the south or east side of the street. (**South-Even-East=SEE**). On odd number days, park on the north or west side. (**North-Odd-West=NOW**). The alternate side parking hours are in effect between midnight and 7:00 AM.

Reminder to park on the same side of the Street two days in a row:

- December 31st & January 1st
- January 31st & February 1st

Alternate Side Parking

- Sidewalks must be cleared of snow and ice by 11:00 AM if it has snowed the preceding 24 hours.
- Please do not deposit any snow in the Public Street, Alley, or Roadway.
- If ice has formed on the sidewalks that can't be removed, please cover with sand, ashes, or similar material.
- The City of Lancaster has five snow plowing routes. Out of the five routes, four deal with streets and other alleys and parking lots. Each plow route takes approximately five hours. Please make sure the plows have made two passes on your side of the street before clearing the end of your driveway. However, during prolong snow storms, snow plows may continue plowing streets until storm subsides or drivers need to rest.

Mayor's Message

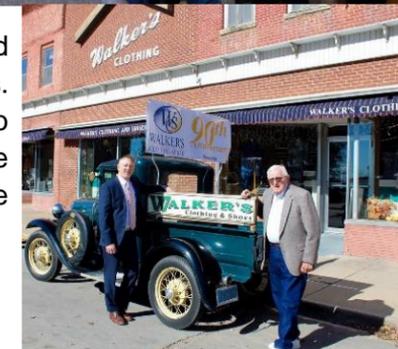

At the November Council meeting, the Common Council and I recognized the Lancaster High School Girl's Cross Country Team for their State Championship. Congratulations to the team, their families and supporters for this great accomplishment.

Lancaster's business community continues to grow and expand as the Lancaster Area Chamber of Commerce held a Ribbon Cutting Ceremony for Grant Regional Health Center on October 2 and Krysthol Davis Photography on October 17.

In October, Walker's Clothing and Shoes celebrated 90 years of business. Thank you to them for their service to our residents and the support they have provided to our community over the years.

Merry Christmas and Happy New Year!

Construction Projects

Madison Street Project

Bids for the 2019 reconstruction project for Madison Street have been opened. H. James Construction of Fennimore is the apparent low bidder. Construction is anticipated to start in Spring of 2019.

To find out more information on the construction staging and scheduling, please see our website: Lancasterwisconsin.com.

Orchard Manor

Orchard Manor sewage pumping station and force main project has been advertised. Construction is expected to start in early Spring with completion in September. The new pumping station will allow Orchard Manor Nursing Home and the new Law Enforcement Center and Community Services facilities to pump sewage to the City of Lancaster Wastewater Treatment Plant.

Public Works Department

Water Meter Change Out

Water Utility Staff will be contacting customers by post card or phone call to schedule meter change outs through the winter months. All Water Utility Staff will be driving City owned vehicles with identification on both doors and staff have City identification cards. There is no charge to utility customers for this work and water utility field staff do not collect money for any reason. You may contact the Water Utility Billing Department at 723-6225 for employee verification. Please report any suspicious activity to the Lancaster Police Department at 723-4188.

Adopt a Hydrant

If you have a fire hydrant near your home or business, the Water Utility and Fire Department would appreciate your help keeping it clear during the winter. Please clear an area about 18" all the way around the hydrant and out to the street. Water Utility Staff will try to keep hydrants clear, but it can take several days after a snow storm to check over 300 fire hydrants.

2019 Elections

The City of Lancaster has one polling location: Lancaster City Hall Senior Center

Polls are open from 7am to 8pm on Election Day.

You can register to vote, or request an absentee ballot, online at myvote.wi.gov or at the Clerk's Office.

Voter Photo ID is required to receive a ballot in all elections. Please be prepared with your photo ID at the next election. Election Inspectors will be required through legislative action to ask for Voter Photo ID, along with a voter's signature to receive a ballot.

Awarded Grants: Thank You!

Lancaster Community Fund

The Lancaster Community Fund has awarded a grant to the Chamber of Commerce to help businesses affected by the 2019 construction to make improvements to their rear entrances. Businesses could receive a matching grant up to \$1,000. The grant will also fund signage to guide both vehicle and pedestrian traffic to local businesses during construction.

Urban Forestry Grant

The City of Lancaster has been awarded an Urban Forestry Grant through the Wisconsin DNR in the amount of \$5,000. The City will use the money to conduct an inventory of trees in the street right of way, Memorial Park, Ryland Park, and Hillside Cemetery.
