

Summer Recreation Sponsor Thank You!

A big thanks to all sponsors, volunteers, umpires and referees who make our summer recreation programs possible. Programs offered this summer included soccer, softball, baseball, t-ball, pee wee, little tikes soccer, swimming, theatre, golf, volleyball, basketball and tennis. There were over 525 youngsters ranging in age from 4-14 who participated in the programs.

Thank you to the businesses listed below for generously donating to the summer recreation program this year! There were 31 businesses/groups that supported our 2017 season. Along with the sponsors, approximately 46 volunteer coaches contributed to the success of the programs.

Open Book and Board of Review

Assessor: Accurate Appraisal LLC

Open Book: Scheduled for Monday, July 17th, from 3-5pm in the Council Chambers. Open Book provides the opportunity for residents to review the 2017 preliminary assessment rolls and speak with representatives from the City's assessor, Accurate Appraisal, LLC, about their property's assessed value.

Board of Review: Scheduled for Thursday, August 14th, from 10-12pm in the Council Chambers.

To schedule an appointment or for questions call 800-770-3927, visit www.accurateassessor.com, or email question@accurateassessor.com.

Mayor's Message

On June 19 the Common Council and I recognized outgoing Commission and Committee Members. Thank you to Laurie Walker (Library Board), Barb Tucker (Library Board), Greg Chapman (Plan Commission) and Don Chappell (Parks and Recreation Committee) for their service to our community.

The Lancaster Area Chamber of Commerce held Ribbon-Cutting Ceremonies for

Angler's Nook on March 24

Martin Schwartz Funeral Home on March 29

Old National Bank on April 21

Grant Regional Health Center held a Groundbreaking Ceremony for their Expansion Project on May 11

Tree City USA Celebration

To celebrate Arbor Day, Winskill Fourth Graders teamed up with City staff and Lions Club representative Ruth Rupnow to plant trees in Baus Park. It was a great event to inspire the students to take care of and appreciate the importance of trees.

Thanks again to Winskill Fourth Grade teachers and students for giving back to your community!

Police Department

Have you ever thought about registering your child's bicycle?

Each year Lancaster Police Department has at least a dozen found bikes that go unclaimed. We now have a way for you to register your bike free of charge. Stop at the Lancaster Police Department to register your bike and get your bike registration sticker.

Centered on Value

Public Works

Work is underway on Jefferson, Oak and Walnut Streets with JI Construction from Livingston as the general contractor. The project will be a complete reconstruction with replacement of water, sewer and storm sewer mains, curb and gutter and asphalt pavement and sidewalks. As part of this project 10 homes that have sewer laterals that connect to a sewer main on private property will be connected to a new sewer main in the street. The entire project should be completed in September with tree planting to take place later in the fall.

Wastewater: Keep Fats, Oils and Grease Out of the Drain!

Fats, oils, grease and food waste cause major problems in our drains and sewers. When disposed of down kitchen sinks, toilets or drains, this waste congeals to form blockages which can lead to flooding and pollution. Fats, oils and grease (FOG) in liquid form may not appear to be harmful but when disposed of into the drainage system they mix with food and other sanitary waste, congeal and harden in the pipe. Over time this grows to form blockages. Using detergents or bleach may have some impact on clearing grease and other debris from the pipework beneath the kitchen sink, but these chemicals have little impact when they become naturally diluted in the sewer network. Gradually the fats, oils and grease build up in the sewer network until blockages occur. This is a significant problem. Please remember to cool it, can it, and trash it!

Brush Pickup

Brush and yard waste pickup will be the first Monday of each month April through November. Please place yard waste in open containers or in bags at the curb, not in the roadway or obstructing the sidewalk. Brush should be neatly stacked with butt ends facing one direction.

- July 3rd
- August 7th
- September 4th
- October 2nd
- November 6th

Grass Clippings

Please be courteous and do not blow grass clippings into the streets. The city has started enforcing an ordinance that prohibits depositing grass clippings, leaves and other yard waste on city streets and alleys. There are several reasons grass clippings and other yard waste should not be deposited in the streets including blockage of storm drain inlets and storm sewer debris accumulation that catch in the basin and can cause pipe blockages.

Citizens need to take the necessary precautions to make sure that your grass clipping do not end up in the street.

Welcome New Administrative Assistant Courtney Gundlach

Courtney is a Fennimore native who was active in sports including volleyball, basketball, and track & field at Fennimore High School.

She has her Bachelor's degree from UW-Platteville in Business Administration with an Emphasis in Human Resource Management and Management.

Courtney is an active person throughout the surrounding communities with coaching athletics and volunteering with youth programs.

Working with the Summer Recreation Program is something she enjoys and will be involved with to make sure your child/children are getting the best experience out of the program. If you see her at the fields or throughout the community, don't be shy and say hi!

At the end of the camps, a Summer Recreation Survey will be sent out. If you have any questions or concerns regarding Summer Recreation, please be sure to contact Courtney at the City office. She is always willing to listen to suggestions and likes to hear feedback.

Be sure to LIKE and FOLLOW the Lancaster Summer Rec on Facebook to get the latest information regarding camps and leagues.
