Mayor's Message

In April, the Council honored two outgoing Council Members, LeRoy Ihm and Chad Olmstead. Thank you to LeRoy and Chad for their years of dedicated service to our community. Later in April the Council welcomed three new Members: Angie Gruetzmacher, Rose Oliveto and Brett Rollins who were elected in our Spring Election.

At the May Council Meeting outgoing Committee Members were recognized. Thank you to Pat Schlesner (Golf Course Committee) and Amy Bell Kwaliek (Historic Preservation Commission and Plan Commission) for their service.

The Lancaster Area Chamber of Commerce held Ribbon Cutting ceremonies for three new Lancaster businesses earlier this Spring. We welcomed The Secret Garden on April 10, Fiesta Cancun on May 10 and Verizon on May 18.

Phil and Mary Wolf recently donated a parking lot located just east of the Square to the City. This lot will help our community, especially during the 2019 Square Project. Thank you to Phil and Mary for their donation.

God Bless,
Mayor David C Varnam

I Scream, You Scream, We ALL Scream for Ice Cream

This Summer, with the help of A&W, McDonald's, and Bennett's Mobil, the officers will be looking for kids who are wearing their bike helmets when they are riding their bikes. If they are, they could get "pulled over" and given a coupon for free ice cream!

Thank you, A&W, McDonald's, and Bennett's Mobil, for helping us promote bike safety.

Please remember: No bin, no pick up!

Brush Pickup

Brush and yard waste pickup will be the first Monday of each month April through November. Please place yard waste in open containers or in bags at the curb, not in the roadway or obstructing the sidewalk. Brush should be neatly stacked with butt ends facing one direction.

- July 2nd
- August 6th
- September 3rd
- October 1st
- November 5th

Grass Clippings

Please be courteous and do not blow grass clippings into the streets. The city has started enforcing an ordinance that prohibits depositing grass clippings, leaves and other yard waste on city streets and alleys. There are several reasons grass clippings and other yard waste should not be deposited in the streets including blockage of storm drain inlets and storm sewer debris accumulation that catch in the basin and can cause pipe blockages.

Citizens need to take the necessary precautions to make sure that your grass clipping do not end up in the street.

Tree City USA

To celebrate Arbor Day, Winskill and St. Clements 4th Graders teamed up with City staff to plant trees in Memorial Park, at the Ball Diamond and at the Wastewater Treatment Plant. It was a great event to inspire the students to take care of and appreciate the importance of trees.

Thanks again to Winskill and St. Clements teachers and students for giving back to your community!
