

Committed to You!

TDS is more than your Internet, TV, and phone provider. We're also part of your community. We employ your friends and neighbors. And, we:

- Actively participate in community events
- Support schools and civic organizations
- And much, much more

Get the products and services you need, at affordable prices!

Great Services, Affordable Prices, and Award-Winning Customer Care.

Now You Can Enjoy...

Reliable Technology

Since 1969 TDS has provided the best technology to customers across the country. Now you can enjoy it, too! The fastest speeds of Internet, the best digital TV, and phone service that never lets you down—all from a local provider.

Affordable Rates

You shouldn't have to spend a lot for the products and services you need. That's why TDS offers its products and services at rates you can afford.

Exceptional Service

Your satisfaction is TDS' top priority. It's one of the reasons we don't outsource our call centers. We want you to be able to have a real conversation with a real employee every time you call.
